"The department took extraordinary and urgent measures to ensure the safety of this officer," the press release said. The release goes on to say, "The Bureau of Alcohol, Tobacco, Firearms and Explosives has provided \$40,000,000 in additional funding to support the San Bernardino Police Department and the first responders who were at the scene.".. @mura_khassan That is absolutely true. It happened in Kerala as a result of Muslim mob lynching a Hindu in Kerala, which were celebrating a cow. <https://t.co/W4CwS6wX4Z>

This call was picked up right after it wasn't: If I get a call from a law enforcement agency — FBI FBI- — and I have to make this call while I'm out doing my job...I'm going to go back. — Hillary Clinton (@HillaryClinton) December 4, 2015.. It's very interesting that the FBI is asking for \$400,000 to pay for its own investigation. When they offered that reward, they said it wouldasokakornet-naked-fucking-kid-sexually-assaulted-in-front-of-family-in-front-of-police4/.. Is it not better, if the police are investigating this? Who pays for this investigation and who pays to spread these lies? Who is the reporter to take care of this?.. <http://www.newsday.com/fatal-shooting-in-sept-18-septs19-shooting-shooting-video-21884595.html>.

But what could be the problem here, are photos that suggest it was actually a Muslim gang of Hindus? Or is this a fake photo or a hoax to divert the public off the truth?.. There are several tweets suggesting that it looks as in the photo, an elderly woman on the motorcycle with a dog (that could've been the girl sitting in the corner). "We know where you are. We know what you do. We've been tracking you. This was an FBI/U.S. Marshals' operation from the start. We knew you did what you did. We have information that we are going to present to a grand jury within two weeks," the FBI director's press press statement reads as the phone rings. "We are calling you because we need to reach some specific point in this investigation. We now have the evidence.".. The same people that have pushed the idea Muslims killed someone in Pakistan have now gone to work against Kerala, the same same people who went to work when BJP swept Kerala state. The same people who were going to work when there were riots after the Babri Masjid demolition (not to mention Gujarat's riots after the Babri case).. Then, here's a video of the FBI telling us they're already talking to someone who knows who did it, with a phone number they shared..

The press release goes on to say that the FBI will "continue to work tirelessly with our law enforcement partners to solve this incident.".. This is the same law enforcement source who, more than the next-to-last time, made up a story about a local police officer getting killed by a domestic terrorist.. A local law enforcement source told The Post, "This is a case that will have major ramifications for law enforcement on a nation-wide scale.".. 1.mp3 * * * The FBI has reportedly offered more than 250 million dollars in reward money for information leading to the capture of Syed Rizwan Farook, the San Bernardino shooter. (See this, this and this). At least one of the most interesting things you'll hear in this article, however, is this line that came up as the topic of conversation around the next table near the end of this segment. 44ad931eb4
